## Mambo Fabric

Mambo Fabric is a 100% polyester fabric featuring a unique coating that provides for the highest color brilliance and the deepest, richest blacks. Its distinctive characteristics make it an outstanding choice for a wide variety of indoor and outdoor displays where the look and feel of fabric will enhance and add depth to the image. Make a splash with store signage, backlit displays, murals, trade show graphics, POP displays, tent sides, outdoor banners for festivals or concerts and theatrical backdrops using Mambo fabric. This product is designed for printing with most solvent and eco-solvent printers on the market.
